Fireboat *David Campbell* Docent

Objective: Docents welcome visitors aboard and check for boarding passes from the museum. They provide a brief history of the vessel as well as share tips about safety and what to expect as the visitors explore the vessel on a self-guided tour.

General duties:

- The docent will greet visitors in a friendly manner and check for admission boarding passes, as well as assist with online ticket purchasing.
- The docent will learn basic information about the vessel and will be able to clearly and accurately talk about the vessel with visitors.
- The docent will arrive about 15 minutes prior to their shift time to check in with staff.
- The docent will attend training sessions as requested by the museum and are expected to follow all safety protocols, including making sure that visitors do not climb onto the Fireboat toolbox, turret stand, or top of wheelhouse

Training: Docents will shadow staff until they are cleared by staff to be on their own.

Time commitment: Shifts are 2 hours long.

Who to report to: Volunteer Coordinator, Education Supervisor, or Education Director

Expected start date: Winter 2026-2027
