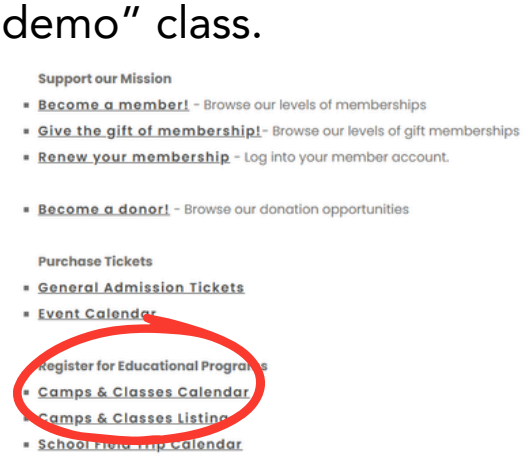
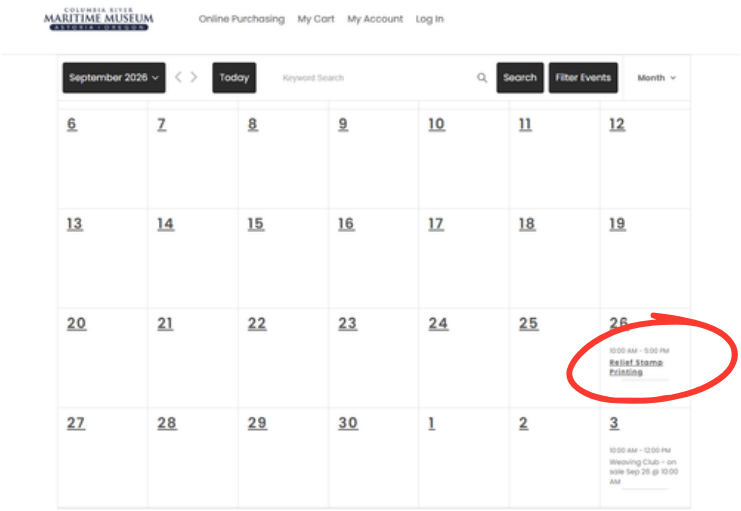
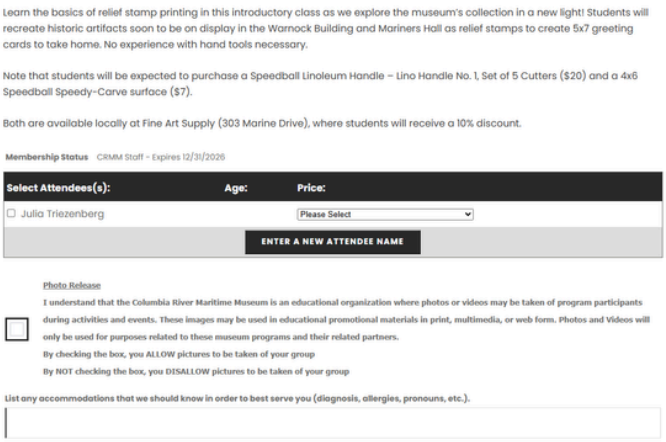
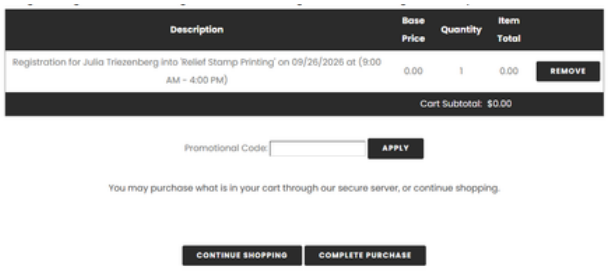
Step 4: With a registered account, you can now go to "Camps and Classes Calendar" under "Online Purchasing" to see Adult EDU offerings for October-December. Note these instructions are using a "demo" class.

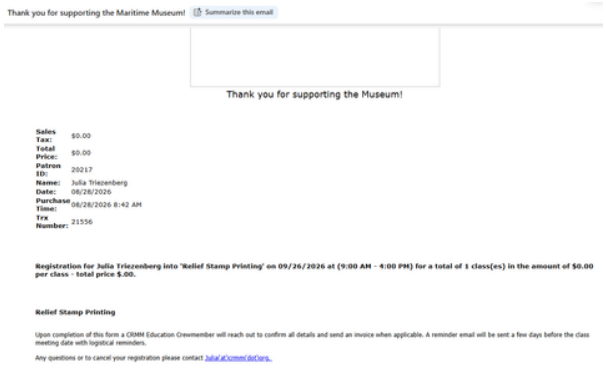




Step 5: After clicking on the desired class, select which attendee will be taking the class. Check/leave blank the Photo Release and fill in the Accommodations options - note that neither are required to continue with registration.







Step 6: Our registration software will redirect you to a payment page where you can enter your information. After completing payment, you will receive a purchase receipt to the email on file.
