For additional information, contact: admin@crmm.org

The purpose of the pavers is to support the Barbey Maritime Center and Columbia River Maritime Museum, and to recognize individuals and organizations for their support. The pavers are not intended to be used as a forum for political statements or statements regarding religion, race, sports, entertainment, or other topics not in keeping with the Museum's mission. Museum staff will make the final determination if there is a question about the appropriateness of a paver engraving.
