

Sturgeon

Grade Level: K - 5

Duration: 50-minute session

Number of classes per visit: 4-6

Available: October - June

What's the Columbia River's biggest secret? The Columbia River Maritime Museum wants to tell you all about it. Learn about the Sturgeon, a prehistoric gentle giant of a fish. Discover its incredible features and adaptations. Explore the human impact through Indigenous and modern resources. And reinforce all that knowledge with interactive activity stations.
